COUNTERFEITERS WELL PUNISHED

Two Years and Fines for Korean Triflers With Medium of Exchange.

United States Judge Sanford B. Dole yesterday morning delivered two sentences in counterfeiting cases which are likely not speedily to be forgotten either by those who received them or those who may be guilty of similar infractions of the law, but not yet apprehended.

The guilty parties were Koreans, Su Cho Hun and Kim Koy Won, caught "with the goods." Their sentences, two years in prison at hard labor each, were the heaviest given for a like offense in this Territory. In addition to the couple of years involuntary servitude, each was sentenced to pay a fine of \$500 and the costs of the court proceedings.

There were other sentences passed in the United States District Court. Ah Fa had put in a plea of guilty to the charge of illicit distilling and was given six months in jail and required to pay a fine of \$500 and costs. He had a partner who helped him, and the partner, Ah Sai Nui, who also pleaded guilty, received a sentence of three months in jail and a \$100 fine.

Moses Lono's sentence was put off till this morning. Daisy Wagner changed her plea to one of guilty. Albert Truegood, identified with the Wagner case, also registered a plea of guilt. M. J. Colto, who is alleged to have been conducting a liquor place without authorization by law, declared that he was innocent of the charge. The plea of Pala, same charge, was put over until today.

PILTZ AND HIS TAXES. There has come up in the department of the Attorney General the question whether or not Captain Geo. Piltz of the Commercial Pacific Cable Company's schooner Florence Ward must pay taxes. Piltz says the home port of his vessel is New York. He owns a house here which will be assessed against him, but other matters of taxes remain to be settled.

UNDESIRABLE IMMIGRANTS. In the United States District Court Hanzo Ueno is being tried for bringing women into the United States for immoral purposes. The case commenced before Judge Dole yesterday morning, with W. T. Rawlins prosecuting and C. C. Bittling defending. A Japanese woman who is claimed to have been brought here by the defendant was put on the stand and she testified to being married to the immigrant station to a man whom she had not seen before nor since. Following are the jurors: E. O. Born, Henry Beckley, T. Blackstead, G. A. Schuman, E. S. Cunha, E. A. Lloyd, E. Waterman, H. H. Walker, J. W. Vannatta, O. B. Dement, H. T. Hayselden, George Fern.

The illustrated Souvenir of the Congressional visit last May has been issued from the presses of the Gazette company in the form of a second edition. It is a work of beautiful typography and contains half-tone pictures covering a variety of island subjects. As a supplemental souvenir to Picturesque Hawaii it is invaluable. The price of the Souvenir is fifteen cents.

FOUNDED IN HONOUR. No doubt you have seen in the papers such announcements as this concerning some medicine or other: "If, on trial, you write that this medicine has done you no good we will refund your money." Now, we have never had reason to speak in that way concerning the remedy named in this article. In a trade extending throughout the world, nobody has ever complained that our medicine has failed, or asked for the return of his money. The public never grumbles at honestly and skillfully made bread, or at a medicine which really and actually does what it was made to do. The foundations of WAMPOLE'S PREPARATION are laid in sincerity and honour, the knowledge of which on the part of the people explains its popularity and success. There is nothing to disguise or conceal. It was not dreamed out, or discovered by accident; it was studied out, on the solid principles of applied medical science. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. This remedy is praised by all who have employed it in any of the diseases it is recommended to relieve and cure, and is effective from the first dose. In Anemia, Scrofula, Nervous and General Debility, Influenza, La Grippe, and Throat and Lung Troubles, it is a specific. Dr. Thos. Hunt Stucky says: "The continued use of it in my practice, convinces me that it is the most palatable, least nauseating, and best preparation now on the market." You can take it with the assurance of getting well. One bottle proves its intrinsic value. "You cannot be disappointed in it," said by all chemists everywhere.

ENTERPRISE AND THOMAS TALKED

Were in Communication Wednesday Evening--Other Wireless.

The transport Thomas kept up its wireless communication with San Francisco until late Monday night, when the vessel was more than 1300 miles from that port. She did not get into wireless communication with the Sherman, however, until the two vessels were within fifty miles of each other; nor in communication with Honolulu until yesterday morning. Wednesday night, however, the vessel was in communication by wireless with the Enterprise at Hilo.

The mother, wife and sister of Chief Officer A. T. Simmie were passengers on the Enterprise for Hilo, where his mother went to meet her husband who is master of a sailing vessel due shortly at that port. His wife and sister arrived here Wednesday by the Claudine and were at the wharf to meet him when the Thomas arrived.

The Thomas went on the drydock when she was in San Francisco just before this voyage.

Captain Dunham of the ship Astral, and Captain Lyman of the Thomas, now in this port, are friends of very long standing, and they met yesterday for the first time for a considerable period.

HOUSE SOLD OUT FOR LILLIPUTIANS

Pollard's Lilliputians open at the Orpheum tomorrow night in "A Runaway Girl." Had the S. S. Nippon

A LILLIPUTIAN.

Maru arrived from the Orient yesterday there would have been a performance tonight.

The sale of seats opened yesterday morning and an unprecedented rush ensued which resulted in the house being quickly sold out. It will be well in view of the limited engagement of the company, to secure seats as much in advance as possible.

During the performances of the Lilliputians no smoking will be allowed in the theater. This is out of consideration for the little players and the ladies of the audience.

The public will find much of interest in the life of the Lilliputians when off the stage. It will seem strange to see a little man or woman depicting grown-up parts in the evening and then to run across them the next morning playing childish games and talking child's talk.

The children are great favorites wherever they go and never fail to make a good impression, due largely to the careful training they receive on and off the stage.

They are just one big happy family off the stage and it is safe to say that they are looking forward eagerly to their stay here for it is the unanimous opinion of the young thespians that Honolulu is by far the jolliest place that the company visits.

Seats will not be reserved later than 8 p. m. on any night during the engagement.

COURT NOTES.

Healani Leialoha yesterday petitioned Circuit Court that her divorced husband be compelled to give security for the alimony of fifty cents a day which had been ordered. She thinks he is going to leave the country.

P. E. R. Strauch was yesterday morning appointed administrator of the estate of Joao Correia Quintal, with bond at \$300.

Assumpsit case of T. H. Davies vs. Peter Whyte was yesterday continued until 9 a. m. today before Judge Lindsay.

Poni Kapua Ahu was yesterday granted a divorce from Kahua Ahu by Judge Lindsay. Non-support.

William Savidge, through Thompson & Clemons, his attorneys, files notice of withdrawal of appeal in Harrison vs. Savidge et al.

Alexander Young files notice of discontinuance in his suit against F. W. Macfarlane et al., over property which has long been in the courts.
